Nancy, brothers Byron and Ralph, husband Bill, grandchildren Rusty and Kyle; stepfather 'Irish'
Sullivan, stepmother Florence Curry, step siblings John L Sullivan and Ruth Duez

Imogene and Bill always had room for another child in their lives and therefore served as
surrogate parents for several family friends, and American parents of more than 55 international
students studying at Northern Arizona University in Flagstaff, and grandparents to their children.

Imogene was also a valued employee of the Arizona Department of Transportation and Arizona
Department of Economic Security and a leader in the Professional Secretaries Association.

Faith and church were always important. Imogene was a member of First United Methodist Church of Pana, West Dundee Methodist Church, Grace Lutheran Church of Lily Lake, Peace Lutheran Church of Holbrook, Shepherd of the Hills Lutheran Church in Flagstaff.

Imogene and Bill moved from their beloved home in Flagstaff to be closer to family in Tucson in 2008. The family greatly appreciates the wonderful care provided our mother and father by caregivers at Emeritus and Via Elegante Assisted Living Centers, Homewatch Care Givers and Casa de Luz Hospice.

Generosity was another of Imogene's fine qualities. Her last act of generosity was to donate her remains to the Indiana University National Cell Repository for Alzheimer's Disease and Science Care. She was passionate about scientists having the opportunity to learn about and find ways to prevent the disease. Following the birth of her grandson Dylan, Imogene also cared deeply about the CHARGE Syndrome Foundation and supported the mission of providing education, resources and research about CHARGE Syndrome.
